

# PM Preschool

## Additional classes available in our preschool program

We would like to notify you of an opportunity to get more out of your experience with our preschool program. Currently daycare registration comes with a designated amount of preschool based on your enrolment, however, this year we are introducing specialized classes in the afternoons in addition to the existing education program.

## Schedule

These activities will be a great opportunity for children to learn specific skills and add to their overall development before they are school aged.

The schedule of classes is to the right (please note that this schedule is subject to change).

These afternoon classes will come with a registration for PM preschool. The fees are as follows:

Days	Rate
2 days of PM preschool	\$230
3 days of PM preschool	\$310
5 days of PM preschool	\$450

These classes are a great chance for your child to develop specialized skills. If you register, you will be able to choose what days of the week you would like your child to attend PM preschool in order to take advantage of whatever classes you find most beneficial.

We encourage all parents to consider this extra programming. To register, please visit [www.parklandplayers.com](http://www.parklandplayers.com) OR email [info@parklandplayers.com](mailto:info@parklandplayers.com) with the days of the week you would like to register for.

<b>Monday</b>	<b>French Class</b>	This class will focus on learning skills to speak French.
<b>Tuesday</b>	<b>Dance Class</b>	This class will focus on gross motor skills and development of dance basics.
<b>Wednesday</b>	<b>Yoga</b>	This will focus on gross motor development and meditation skills.
<b>Thursday</b>	<b>Music Class</b>	This class will be focused on musical skills of singing and instrument playing.
<b>Friday</b>	<b>Building Blocks</b>	This will focus on fine motor and engineering skills.

We hope to see you in PM Preschool!  
Best Regards,  
Parkland Players
