Please read the following permission form carefully. Once you have read and understood the permission form, please sign & date below. If you have any questions, please feel free to ask staff.

I, _____ give Hillcrest & Parkland Players permission to transport my child, _____ to and/or from their school in the daycare van. I will provide Hillcrest & Parkland Players with a booster seat if my child is under 4'9" or is not yet 9 years of age. I understand that if it is unsafe to transport my child in the case of snow or ice, Hillcrest & Parkland Players can decide if they will not take my child to and/or from school. I understand if Hillcrest & Parkland Players cannot transport my child to and/or from school, that it is my responsibility to take my child to and from school. I understand that daycare services can still be provided for my child from 7:00-9:00am, 2:30-6:00pm if I require any. I also understand that it is my responsibility to inform the center before 8am if my child does not require to be dropped off and by 12 noon if they do not require to be picked up. Also, if my child requires to be picked up at a different time for early dismissal, I will provide Hillcrest & Parkland Players one-day notice.
