Building the Foundation for Growth

WINTER WONDERS: EMBRACING THE SEASONAL SPLENDORS OF CHILLY WEATHER

As winter spreads its icy fingers across the northern hemisphere, a magical transformation takes place. Across vast landscapes and bustling cities, chilly weather brings about a unique charm that captivates hearts and inspires awe. Join us as we explore the wonders of winter, a season that turns ordinary scenes into extraordinary vistas.

BLANKETING THE WORLD IN WHITE

One of the most enchanting aspects of winter is the delicate dance of snowflakes as they gracefully descend from the sky. The world transforms into a sparkling wonderland, with every surface adorned in a pristine blanket of white. Snow-covered trees, rooftops, and streets evoke a sense of serenity and beauty.

FROSTY LANDSCAPES: NATURE'S ICY ARTISTRY

In colder climates, winter bestows a unique artistry upon the landscape. Frozen lakes, frost-kissed branches, and icicles dangling from eaves create scenes straight from a winter fairy tale. Nature's ability to sculpt breathtaking frozen landscapes is a testament to the wonders of the season.

WINTER SPORTS: EMBRACING THE CHILL WITH ADVENTURE

For many, winter is synonymous with thrilling activities on snow and ice. Whether it's gliding down snow-covered slopes on skis or snowboards, navigating icy trails on snowshoes, or partaking in the spirited competition of ice hockey, winter sports add an exciting dimension to the season.

REMINDERS

• Happy New Year Everyone! We are happy to celebrate 2024 with Parkland Families!

• Preview for the 2024 Preschool Programs: In the Musical Classes the children will continue to build musicianship with songs, rhymes, and music by games and playing instruments. For the winter session the children will learn songs about themes such as snow, penguins, Valentines Day, the Lunar New Year and other Winter Themes. The children will also be learning about the composer, Wolfgang, Amadeus, and Mozart etc.

• Center will re-open on the 2nd of January!

• The themes are hibernation and winter animals.

All groups will be exploring various winter animals and creative ideas of hibernation!

• Please review the Winter Extreme Weather Procedure Policy here: <http://parklandplayers.com/wp-content/uploads/2017/12/Extreme-Weather-Letter-to-Parents.pdf>

• Scholastic flyers have been sent through HiMama. Our class code is RC149292
